

# THE "ENTICKNAP & SON" FUNERAL TENT WITH COLLAPSIBLE STEEL TUBE FRAME

*Easily Set Up By Two Men.*

Made up in Khaki-Duck Waterproof in 10 oz. Army Duck—no ropes or pegs. But is provided with storm ropes, thereby making it safe in any weather. Has detachable curtains for all four sides; can be closed up instantly.

Respect for the dead is a measure of civilization, but consideration for the living is of even greater moment. Give those who have entrusted you with the care of their loved ones the utmost in protection at the most trying ordeal—the Committal Service—The Portable Cemetery Chapel with collapsible frame, designed especially for this purpose, and its use will spread your progressiveness among those who will need this service in the future.
