

As a family owned business, we know how important it is to make the landmark occasions in life memorable. Whether it is a wedding, anniversary or a special garden party, we have the tent to make the event dramatic, exciting and elegant.

Our family takes pride in meeting the needs of clients from across South Central Ontario, from planning to installation to dismantling.

**Monica's Hints & Tips**

More and more couples are considering using a tent for their wedding ceremony and/or reception as a unique alternative to the more traditional church or banquet hall.

Before deciding on a tent wedding, you need to consider whether or not you have the space to set up a tent that will accommodate all your guests. Beyond that, we can help you choose a tent that will meet the theme and style of your wedding.

Our wedding tents are specifically reserved for weddings - they are never used at agricultural shows, fairs or company picnics.

We charge based on the event, not by the day. This pricing option is particularly attractive for couples who want to take advantage of the tent for a rehearsal party Friday night, and a leisurely brunch and gift unwrapping after the wedding on Sunday morning.

**Monica's Hints & Tips**

The commitment and dedication of five generations have established Drumbo Tent as a respected business dedicated to quality, service and value.

My great, great grandfather A.D. Enticknap established a blind-making business in Drumbo in 1890. His son Alfred joined him in the business, which expanded to include hardware, tinsmithing and canvas manufacturing. On Alfred's death, his daughter Evelyn and her husband Jack Taylor took over the business.

Today my wife Monica and I, along with my parents, John and Laura, proudly carry on the tradition, working with our clients to ensure their event is flawless.

A handwritten signature in black ink that reads 'J.R. Taylor'.

J.R. Taylor  
Rental Manager  
Drumbo Tent

**Monica's Hints & Tips**

Drumbo Tent is happy to answer any questions you may have. However, before contacting us, please take a moment to consider the following:

- Location and surface tent will be erected on (asphalt, grass or gravel)
- Period of time tent will be needed (day, weekend or weeks)
- Colour of tent you are interested in (white or striped)
- Number of people attending your event
- The type of tables you may be using (round or rectangular)

Please call or e-mail us ahead of time to arrange for an appointment.

### **Email**

## Tent Installation questions

What type of surface ex. Grass, Asphalt, Gravel

What is the size of yard or area.

Is there any Gas, Electric or Water lines in the tent site area.

Is there any overhead obstructions, trees, hydro, other ostructions, streets, patios, deck, plants, gardens or trees.

Please note: when setting up we need room for staking tent.

Please add 10ft to length and width in total tent size.

**Example:** 30'X50' tent rented would need a total space of 40'X60' but could do it with a little less.

## Tent questions to ask yourself

### ***Tent questions to ask and helpful tips***

***What kind of event is it.***

***What are you going to do under the tent : Example, reception, cocktail party, dance, ceremony etc.***

***How many people are attending.***

***Will they be using tables and chairs.***

***What type of tables: long tables or round tables***

***Will there be other things to be set up: headtable, buffet tables dancing, dj, live band, bar tables, bar area, gift tables, cake table or presentation tables.***

---

More history on our company

***History Quiz contest #88 by oxford historical society***

***Drumbo Tent Company***

***About 1890, Alfred D. Enticknap came from Plattsville to Drumbo and bought a tinsmith and hardware business from Kaufman and Erb. It was located on the northeast corner of Wilmot and Oxford Street. In 1900, he advertised that he manufactured awnings, tents, fire escapes, all kinds of wire goods, truck and bag holders. He invented the first awning gear.***

***Alfred Martin joined his father in the company and it became A.D. Enticknap and Son Company. After Alfred D. retired, the business was carried on by Alfred Martin and his wife, Alberta Dennis, a public school teacher. They decided to concentrate on the manufacture of tents and awnings and sold the tinsmith and hardware business to R.C. Cowan.***

***Alberta died in 1938 and Alfred M. Enticknap died in 1946. Their family consisted of two daughters. Daughter Evelyn married John A. Taylor.***

***The Taylors (in 1947) decided to carry on the business. In 1955, the Taylors moved their operations into a new building on Wilmot Street South. The business is still carried on in this location by John A.'s son, John Martin and his wife Laura, as well as grandson, JR and his wife Monica Taylor and great great granddaughter Jessica Evelyn Taylor.***

***John A. Taylor passed away on June 10, 2001.***

***Additional info:***

***The business name was changed to Drumbo Tent and Awning in 1955. Now that the business is specializing in tent rentals, it's name has once again changed to Drumbo Tent Company Limited.***

underground utilities information

***Things to check for before installing a tent:***

**Telephone Lines(bell Canada).\***

 **Hydro (local hydro company).\***

• **Water (local municipal works department).\***

• **Natural Gas(Consumers Gas or other local gas company).\***

• **Swimming pool lines.**

**Lawn Sprinkler lines.**

• **Hydro lines above in the air.\***

• **You should give at least two weeks notice if not more to these utilities.**

• **Telephone contact numbers for the above organizations should be in your local phone directory. Organizations normally perform checks for underground services for free. They will need the correct advanced time to work out there schedule.**

**You should either have someone on site at the time of installation to inform the the crew chief regarding the location of underground utilities, or forward us a site map clearly showing any underground services, containing accurate dimensions.**

## Tent info

Allow 5 extra feet around the perimeter of the tent to allow for augers & guy- ropes.

Our augers go in the ground around 2 feet or 24 inches.

Find a location for the tent that is the most level.

Make sure you cut your grass one day in advance before tent set-up.

**Are there different types of tents?**

**Can a tent be erected on any surface?**

**How do I know what size tent to order?**

**Do you provide decorations?**

**Are your tents available in colours other than white?**

**How large a market area do you serve?**

**How much does it cost?**

**Do you require a deposit?**

**What kind of experience do you have?**

There are two basic types of tents, pole tents and frame tents. Pole tents have one or more centre poles supporting the weight of the tent, whereas frame tents have an overhead frame supporting the tent top, keeping the area in the middle completely open.

**What kind of experience do you have?**

Drumbo Tent takes pride in our ability to custom meet our clients' needs. In addition to lawns, we have erected tents on patio decks, asphalt, and concrete. The surface and location you want may affect the price and type of tent we can install. Site visits may be arranged to ensure the desired location can be accommodated.

**What kind of experience do you have?**

Drumbo Tent has a specific formula that calculates the appropriate tent size based on the number of guests expected. Whether or not you want room for dancing, tables, chairs or displays are other factors that should be considered.

Drumbo Tent has one of the largest selections of tents in Ontario, with a full range of sizes and styles to suit any occasion.

Wedding photos courtesy of Lasting Impressions

Our priority is to provide our customers with high quality tents that are installed correctly. While we provide a variety of extra services, we do not provide decorations. In the past, we have worked closely with many decorators and can recommend high quality decorating services to most of our clients. Arrangements can be made to have the tent installed well in advance of the event to accommodate decorating.

Extra services we do provide:

- dance floors
- privacy curtains
- heating
- entrance canopy
- lighting
- side pole drapes
- smaller tents for washrooms, caterers
- chandeliers
- sidewalk canopies
- carpeting, flooring

We are happy to provide referrals for other services such as:

- caterers
- table and chair rentals
- portable restrooms

**What kind of experience do you have?**

Every job is different and a number of factors can influence price: size and type of tent, location, surface, extra options required, and period of time you need the tent.

Take a few minutes to browse our site and contact us for an estimate.

## Frequently Asked Questions

**Are there different types of tents?**

**Can a tent be erected on any surface?**

**How do I know what size tent to order?**

**Do you provide decorations?**

**Are your tents available in colours other than white?**

**How large a market area do you serve?**

**How much does it cost?**

**Do you require a deposit?**

**What kind of experience do you have?**

In addition to private gatherings, we have provided tents for a variety of events including fairs, company picnics, tournaments and exhibitions.

Sometimes putting up a tent can involve dealing with local officials. Our professional staff with years of experience can take care of the details.
